

Join us in ministry

The American Baptist Churches of Rhode Island are moving forward and are seeking partners who would be co-laborers in the vineyard of the Lord.

Think, pray, and consider becoming a Kingdom Builder by sending your financial contribution so we can keep up with God's momentum.

The Kingdom of God is under construction!

Kingdom Building

**BUILDING HOPE
BUILDING FAITH
BUILDING FUTURE ...**

Healthy Pastors and Healthy Churches

What is Kingdom Building?

Kingdom under Construction, the theme of our recent Annual Gathering, is a theme that reflects our overall reality. As God keeps building God's Kingdom on earth, we are God's associates in the enterprise. We are co-laborers with God.

As Kingdom Builders, we are called to be servant leaders, giving of ourselves in a humble way, not for recognition or gain, but rather selflessly and lovingly. God's purpose for humanity is to love us and teach us how to love.

How much do we love our neighbors, our churches, and our ABCORI family? There are marks of our love: service, participation, and financial support being some of the most tangible.

You are invited to become a Kingdom Builder by giving a financial gift to this living organism we call American Baptist Churches of Rhode Island.

We are launching Kingdom Building as a great opportunity for all to participate in God's momentum and love. There are many opportunities to join God in what God is doing in the world and the church; and this is one way that we have at hand, here and now. God has a purpose in having us all be a part of this particular family, so we can be Kingdom Builders!
